# PREVIOUS WORKS DONE

## WE BUY USED OIL

We specialize in buying used oil, providing a convenient and eco-friendly solution for disposing of your spent lubricants and industrial oils. By choosing to sell your used oil to us, you're not only ensuring proper recycling and disposal but also contributing to environmental sustainability. Our process is efficient and hassle-free, making it easy for you to manage waste responsibly while benefiting from a reliable service. Let us handle your used oil with care and professionalism, so you can focus on what matters most to you.

## WE BUY SCRAP METAL

We purchase scrap metal of all types, offering a straightforward and efficient way to recycle your unwanted materials. Whether you have small quantities of household scrap or large volumes from industrial sources, our service ensures you receive fair value while promoting environmental sustainability. By selling your scrap metal to us, you help reduce waste and support the recycling industry, all while benefiting from a hassle-free process. Trust us to handle your scrap metal needs with professionalism and care.
